

## MEDICAL EDUCATION

---

10/1989-11/1994      Alexandria University      Alexandria, Egypt  
*Bachelor of Medicine and Surgery (M.B.B.ch.)*

- Degree: Excellent with Honor (Final G.P.A of 3.9/4.0).
- Ranked twenty third out of 570.
- Medical Education was in English language.

## POSTGRADUATE EDUCATION

---

09/1996– 9/2001      Alexandria University      Alexandria, Egypt  
*Masters degree in General Surgery, Department of General Surgery, Faculty of Medicine*

- Degree: Excellent with Honors (Final GPA 4.0/4.0).
- Research topic was “**Laryngeal functions after thyroidectomy: Role of external laryngeal nerve**”.
- Supervisors: Prof. Dr. Magdi El-Sharaki, Prof. Dr. Habashi El-Hammadi, Prof. Dr. Yehia Abou Ras, Prof. Dr. Ibrahim Khalil.

12/2001– 7/2007      Alexandria University      Alexandria, Egypt  
*Ph.D. of General Surgery, Department of General Surgery, Faculty of Medicine*

- Research was conducted at Alexandria University.
- Research topic “**Management of cervical nodal metastatic spread in operable thyroid cancer**”.
- Supervisors: Prof. Dr. Mohammad Abdel Kader, Prof. Dr. Mohammad Rafik Khalil, Prof. Dr. Habashi El-Hammadi, Prof. Dr. Omayma Al-Sakka.

## UNDERGRADUATE EDUCATION

---

1973- 1988      English Boys School (E.B.S.)      Alexandria, Egypt  
▪ English Elementary and High school.

## MEDICAL LICENSES

---

1999-present  
▪ Egyptian medical syndicate license to practice medicine/General Surgery.

## STAFF APPOINTMENTS

---

4/2014 till present date

- Assistant Professor of General Surgery, Head & Neck and Endocrine Surgery Unit (HNESU), Department of General Surgery, Alexandria University Hospitals and Faculty of Medicine, Alexandria, Egypt.

9/2007 to 4/2014

- Lecturer of General Surgery, Head & Neck and Endocrine Surgery Unit (HNESU), Department of General Surgery, Alexandria University Hospitals and Faculty of Medicine, Alexandria, Egypt.

2001 to 2007

- Assistant lecturer of General Surgery, Head & Neck and Endocrine Surgery Unit (HNESU), Department of General Surgery, Alexandria University Hospitals and Faculty of Medicine, Alexandria, Egypt.

## AWARDS RECEIVED

---

03/2009            The Egyptian Medical syndicate            Alexandria, Egypt  
▪ *Certificate of "The ideal doctor of the year"*. The 31<sup>st</sup> Anniversary.

07/1999            The Egyptian Medical syndicate            Alexandria, Egypt  
▪ *Certificate of Excellence and Appreciation*.

02/1995                            Faculty of Medicine            Alexandria, Egypt  
▪ *Medal of Excellence and Distinguishment* for ranking twenty third out of 570 among final year medical students

## PROFESSIONAL EXPERIENCE / POSITIONS

---

03/1996- 09/1996            Ministry of Health            Alexandria, Egypt  
*Primary health care physician*

- Attending outpatient clinics in rural areas.
- Conveying primary health care to peasants.
- Running vaccination programs and ensuring their proper implication.
- Referral of cases to specialized physicians.
- Treating common minor diseases and infections.
- Conducting screening programs for early detection of breast cancer.

09/1996- 09/1999                      Alexandria University                      Alexandria, Egypt  
*Resident of General Surgery, Faculty of Medicine, Alexandria University Hospital*

- Performed a wide variety of surgeries (Thyroidectomy, submandibular sialadenectomy, mastectomy, splenectomy, cholecystectomy, appendectomy, small bowel resection & anastomosis, colectomy, haemorrhoidectomy.....etc).
- First & second assistant in over 1000 surgical procedures.
- Pre- and post-operative care of patients.
- Attended weekly clinical rounds in general surgery.
- Attended teaching courses for general surgery residents.

03/2000- 11/2001                      Alexandria University                      Alexandria, Egypt  
*Demonstrator of General Surgery, Faculty of Medicine*

- Administrative and clinical work.
- Tutorial classes, Slide conferences, Journal clubs and meetings.
- Academic and practical teaching for undergraduate medical students.
- Performing surgeries, treating and supervising treatment for inpatients.

12/2001– 9/2007                      Alexandria University                      Alexandria, Egypt  
*Assistant Lecturer of General Surgery, Faculty of Medicine*

- Subspecialty: **Head & Neck Surgery**. Performing surgeries as Thyroidectomy, Parathyroidectomy, Parotidectomy, Submandibular Sialadenectomy, Neck Dissection; Radical, Modified Radical and Central, Sis-Trunk operation for Thyroglossal Cyst and Fistulae, Excision of Branchial Cyst and Fistulae, Tinotomy for Sternomastoid Tumour, Excision of Cystic Hygroma, Management of Face and tongue malignancies.
- Performing **General surgeries** as Simple and modified radical mastectomy, Splenectomy, Open Cholecystectomy, Laparoscopic Cholecystectomy, Small intestinal resection anastomosis, Right colectomy, Left colectomy, Repair of Paraumbilical hernias, Repair of Inguinal hernias, management of Varicocele, management of Hydrocele, and Harvesting of testicular biopsy.
- Performing **Emergency surgeries** as Appendectomy, Splenectomy, Repair of perforated peptic ulcer, Management of internal haemorrhage and Management of intestinal obstruction.
- Teaching and instructing clinical rounds.
- Supervising the performance of residents.
- Demonstrators training supervision and coordination.
- Responsible for the outpatient clinic.
- Treating and supervising the treatment of inpatients.
- Clinical research activity, weekly journal clubs & conferences.

9/2007 – 4/2014: Alexandria University Alexandria, Egypt  
**Lecturer of General Surgery, Faculty of Medicine**

- Subspecialty: Head & Neck & Endocrine Surgery, Thyroid Surgery.
- Building more experience in **Head & Neck surgeries**
- Building more experience in **General surgeries**
- Building more experience in **Emergency surgeries.**
- Supervising theses of postgraduate candidates.
- Teaching seminars for postgraduate candidates.
- Teaching and instructing clinical rounds for medical students.
- Supervising the performance of residents.
- Treating and supervising the treatment of inpatients.
- Clinical research activity, weekly journal clubs & conferences.

6/2014 – 9/2014: Saudi Ministry of Health Jazan Governorate  
**Consultant of General Surgery:**

- A temporary contract for three months,
- General Surgery department conducting:
  1. *General surgical operations on outpatient & inpatient basis,*
  2. *Emergency cases & accidents.*

4/2014 - present: Alexandria University Alexandria, Egypt  
**Assistant Professor of General Surgery, Faculty of Medicine**

- Subspecialty: Head & Neck and Endocrine Surgery, Thyroid Surgery.
- Building more experience in **Head & Neck surgeries**
- Building a **learning curve** in Endoscopic video-assisted thyroidectomy.
- Supervising theses of postgraduate candidates.
- Teaching seminars for postgraduate candidates.
- Teaching and instructing clinical rounds for medical students.
- Supervising the performance of residents.
- Treating and supervising the treatment of inpatients.
- Clinical research activity, weekly journal clubs & conferences.

## PREVIOUS RESIDENCIES

---

09/1996- 09/1999 Alexandria University Alexandria, Egypt  
**Resident of General Surgery, Faculty of Medicine, Alexandria University Hospital**

- Performed a wide variety of surgeries (Thyroidectomy, submandibular sialadenectomy, mastectomy, splenectomy, cholecystectomy, appendectomy, small bowel resection & anastomosis, colectomy, haemorrhoidectomy.....etc).
- First & second assistant in over 1000 surgical procedures.

- Pre- and post-operative care of patients.
- Attended weekly clinical rounds in general surgery.
- Attended teaching courses for general surgery residents.

03/1995- 02/1996      Alexandria University      Alexandria, Egypt

***Internship Doctor, Alexandria University Hospital***

*Rotating internship in the following departments, 2 months each:*

- Causalities and anesthesia.
- Obstetrics and Gynecology.
- Pediatrics.
- General Surgery.
- Internal Medicine.
- Urology (1 month) and clinical oncology & nuclear medicine (1 month).

## RESEARCH EXPERIENCE

---

03/2000- 11/2001      Alexandria University      Alexandria, Egypt

***Demonstrator of General Surgery, Faculty of Medicine***

- Conducted a study on the impact of injury to the external laryngeal nerve, as part of my master's thesis entitled: "**Laryngeal functions after thyroidectomy: Role of external laryngeal nerve**".
- Thesis was defended in front of a set of juries, consisting of 3 senior Head & Neck surgeons from different universities in Egypt.

12/2001– 7/2007      Alexandria University      Alexandria, Egypt

***Assistant lecturer of General Surgery, Faculty of Medicine***

- Conducted a study entitled: "**Management of cervical nodal metastatic spread in operable thyroid cancer**".
- Thesis was defended in front of a set of juries, consisting of 3 senior Head & Neck surgeons from different universities in Egypt.

## WORKSHOPS, ATTENDED

---

- September 25-27, 2005, Basic Laparoscopic Surgery. Held in Alexandria Endoscopy Association (Alexea), **Alexandria, Egypt**. Directed by Prof. Dr. Mohamed Ibrahim, Prof. Dr. El-Said El-Kayal.
- August 12-16, 2007, Advanced Laparoscopic Surgery. Held in Alexandria Endoscopy Association (Alexea), **Alexandria, Egypt**. Directed by Prof. Dr. Mohamed Ibrahim, Prof. Dr. El-Said El-Kayal.
- June 23-25, 2011, I attended the International Post-Graduate Course of ***Minimal-Invasive Endocrine Surgery***, Held in **Strasbourg, France**. Directed by Jacques Marescaux (President, IRCAD, University of Strasbourg, France) & Paolo Miccoli (University of Pisa, Italy).
- September 6<sup>th</sup>, 2012, Course on Breast Cancer in Young Women; Management Strategies and Fertility Considerations. Held in Alexandria, Egypt. Organized by

the Medical Scientific Association in Collaboration with European Society of Gynaecological Oncology (ESGO) and European Society for Medical Oncology (ESMO).

- June 01-05, 2014, Laparoscopic Bariatric Surgery "General Surgery". Held in Alexandria Endoscopy Association (Alexea), **Alexandria, Egypt**, in collaboration with Alexandria University-Egypt, Erlangen University-Germany & King Saud University-KSA. Directed by Prof. Dr. Mohamed Ibrahim, Prof. Dr. El-Said El-Kayal, Prof. Dr. Aayed Al-Qahtani, Prof. Dr. Thomas Horbach.
- February 27-28, 2017, **The Manchester Neck Ultrasound Course**. Hosted by the Manchester Head & Neck Center. Manchester Academic health sciences Centre. University of Manchester. Central Manchester University Hospitals NHS foundation trust. Manchester, UK.

## WORKSHOPS, GIVEN

---

- First Thyroid Surgery Workshop. January 19<sup>th</sup> – 20<sup>th</sup>, 2016. Venue; Head, Neck & Endocrine Surgery Unit (HNESU), University of Alexandria, Egypt. Delivered to 50 young endocrine surgeons working in the hospitals affiliated to the Ministry of Health, Armed Forces & Health Insurance organization. The workshop was organized by the HNESU. Surgeons, endocrinologists, nuclear medicine consultants, oncologists, pathologists & radiologists shared in its lectures, case presentations & panel discussions.
- Second, third and fourth Thyroid Surgery Workshops which were held in the same venue over the following 2 years.

## MEMBERSHIP OF LEARNED SOCIETIES

---

- American Thyroid Association (ATA).
- European society of Endocrine Surgeons (ESES).
- Egyptian Society of Surgeons (ESS).
- Egyptian Society of Head and Neck Oncology (ESHNO).
- Egyptian Society of Endocrinology & Obesity.

## PRESENTATIONS

---

- **Thyroid cancer, The patient's Journey**. Multi-disciplinary case discussion session. Tarek Koraitim, MD, HNE Consultant of Surgery, Maha Bondok, MD, Consultant of Endocrinology, Hazem Al Mansy, MD, Consultant of Medical Oncology. SUN 7<sup>th</sup> Annual International Conference. Multidisciplinary approach in cancer management. Radisson Blu hotel. Alexandria, Egypt. December, 14<sup>th</sup> – 15<sup>th</sup>, 2017

- **Thyroid nodules: are we following the guidelines?** Sohag 2<sup>nd</sup> Annual International Conference of Surgery, Lapro-endoscopy and Oncology. Sohag University. November, 16<sup>th</sup> - 17<sup>th</sup>, 2016
- **Parotid Cancer: WHY?** The Head & Neck Oncosurgical Conference. The Comprehensive Cancer Center (CCC) of Alexandria. In collaboration with: The Scientific Association for Targeted Therapy & Cancer Research, The Egyptian Association for Head & Neck Cancer, and Head & Neck & Endocrine Surgery Unit (HNESU), Faculty of Medicine, University of Alexandria. Royal Tolip Hotel, January, 2015.
- **Conservative Parotid Surgery.** The first Alexandria Annual International Conference of Surgery. SurgiAlex: Multidisciplinary Approaches in Surgery joined with First Annual Alexandria Pediatric Surgery Conference. Radisson Blu Hotel, AlexWest, Alexandria, Egypt. May, 28-31; 2014.
- **Total Versus Subtotal Thyroidectomy in The Treatment Of Non-Malignant Thyroid Diseases.** The 14<sup>th</sup> International Thyroid Congress. Palais de Congres, Paris, France. September, 11-16; 2010.
- **Total thyroidectomy: Is identification of recurrent laryngeal nerve mandatory?** The 14<sup>th</sup> International Thyroid Congress. Palais de Congres, Paris, France. September, 11-16; 2010.
- **The Role of Sentinel Lymph Node Biopsy In the Management of Differentiated Thyroid Cancer.** The 14<sup>th</sup> International Thyroid Congress. Palais de Congres, Paris, France. September, 11-16; 2010.
- **The Role of Sentinel Lymph Node Biopsy (SLNB) In the Management of Differentiated Thyroid Cancer.** Presented in the 13<sup>th</sup> Annual International Scientific Conference of *Alexandria Clinical Oncology Department (ACOD)*, Helnan Palestine Hotel, Alexandria, Egypt, 14-16 April, 2010. Personalizing Cancer Care.
- **Basic surgical skills.** Egyptian syndicate of doctors. 12<sup>th</sup> January, 2010
- **The Role of Sentinel Lymph Node Biopsy (SLNB) In the Management of Differentiated Thyroid Cancer.** Presented in the 1<sup>st</sup> International Conference of the Egyptian Society of Head and Neck Oncology (ESHNO), Marriott hotel, Cairo, Egypt, 18-19 November, 2009. Recent trends in the management of Head & Neck Oncology.
- **Intestinal Obstruction.** Presented in the 17<sup>th</sup> Annual meeting of the Egyptian Syndicate of Doctors, Alexandria, Egypt, 11-13 November, 2009. The Emergency Medicine: Recent Advances in Diagnosis & Treatment. Egyptian Syndicate of Doctors.
- **The Role of the Muslim Doctor in Nurturing the Ummah.** Presented in the convention center, Faculty of Medicine, University of Alexandria. The Malaysian night. April, 2009.
- **Total versus subtotal thyroidectomy in the treatment of non-malignant thyroid diseases.** Presented in the 26<sup>th</sup> Annual Summer Meeting of the Egyptian Society of Surgeons (ESS), Alexandria, Egypt. 22-24 October, 2008.

## CONFERENCES ATTENDED

---

1. SUN 8<sup>th</sup> Annual International Conference. Multidisciplinary approach in cancer management. Radisson Blu hotel. Alexandria, Egypt. December, 20<sup>th</sup> – 22<sup>nd</sup>, 2018.
2. SUN 7<sup>th</sup> Annual International Conference. Multidisciplinary approach in cancer management. Radisson Blu hotel. Alexandria, Egypt. December, 14<sup>th</sup>–15<sup>th</sup>, 2017.
3. Sohag 2<sup>nd</sup> Annual International Conference of Surgery, Lapro-endoscopy and Oncology. Sohag University. November, 16<sup>th</sup>-17<sup>th</sup>, 2016
4. SUN 6<sup>th</sup> Annual Conference. Multidisciplinary approach in cancer management. Meridian airport hotel. Cairo, Egypt. October, 20<sup>th</sup> – 22<sup>nd</sup>, 2016.
5. The first African Cancer Congress. Fairmont towers, Heliopolis, Cairo, Egypt. May, 5-8, 2016
6. SurgiAlex 2016. The 4<sup>th</sup> Annual conference of Surgery Department. The 2<sup>nd</sup> International conference. Practice guidelines and controversies. Tolip Hotel, Alexandria, Egypt. April 27<sup>th</sup>-29<sup>th</sup>, 2016.
7. SUN 5<sup>th</sup> Annual Conference in Breast and GIT Malignancies. Hilton Alexandria, Egypt. December 10<sup>th</sup>-12<sup>th</sup>, 2015
8. The 15<sup>th</sup> International Thyroid Congress. The 5-year meeting of The American Thyroid Association (ATA), The European Thyroid Association (ETA), The Latin American Thyroid Association (LATS) & The Asian & Oceania Thyroid Association (AOTA). Swan & Dolphin Spa, **Orlando, Florida, USA. October, 18-23; 2015.**
9. The Comprehensive Cancer Center (CCC) of Alexandria. In collaboration with: The Scientific Association for Targeted Therapy & Cancer Research, The Egyptian Association for Head & Neck Cancer, and Head & Neck & Endocrine Unit, Faculty of Medicine, University of Alexandria. 13. The 1<sup>st</sup> Annual Scientific Congress of Alexandria New Medical Center. New Trends in Medical Practice. Royal Tolip Hotel, Alexandria, Egypt. April, 3-4; 2014.
14. The SUN 2<sup>nd</sup> Annual International Oncology Conference. Neoadjuvant Treatment Approaches in Cancer Management. Radisson Blu Hotel, Alexandria, Egypt. December, 20-22; 2012.
15. The 14<sup>th</sup> International Thyroid Congress. The 5-year meeting of The American Thyroid Association (ATA), The European Thyroid Association (ETA), The Latin American Thyroid Association (LATS) & The Asian & Oceania Thyroid Association (AOTA). **Palais de Congres, Paris, France. September, 11-16; 2010.**
16. The 12<sup>th</sup> Annual Conference of the Egyptian Group of Colon & Rectal Surgeons. The Egyptian Society of Surgeons. Sharm Sheikh, June 23-26, 2010.

17. The 13<sup>th</sup> Annual International Scientific Conference of Alexandria Clinical Oncology Department (ACOD), Helnan Palestine Hotel, Alexandria, Egypt, 14-16 April, 2010. Personalizing Cancer Care.
18. The 1<sup>st</sup> International Conference of the Egyptian Society of Head and Neck Oncology (ESHNO), Marriott hotel, Cairo, Egypt, 18-19 November, 2009. Recent trends in the management of Head & Neck Oncology.
19. The 17<sup>th</sup> Annual meeting of the Egyptian Syndicate of Doctors, Alexandria, Egypt, 11-13 November, 2009. The Emergency Medicine: Recent Advances in Diagnosis & Treatment. Egyptian Syndicate of Doctors.
20. The 27<sup>th</sup> Annual Summer Meeting of the Egyptian Society of Surgeons (ESS), Alexandria, Egypt. 21-23 October, 2009. The Egyptian Society of Surgeons (ESS).
21. The 26<sup>th</sup> Annual Summer Meeting of the Egyptian Society of Surgeons (ESS), Alexandria, Egypt. 22-24 October, 2008. The Egyptian Society of Surgeons (ESS).
22. The 6<sup>th</sup> International congress of the Egyptian Society of Laparoscopic Surgery. Cost Effective Laparoscopy, Alexandria, Egypt, 4-6 June, 2008. The Egyptian Society of Laparoscopic Surgery (ESLS).
23. The 26<sup>th</sup> Annual Meeting of the Egyptian Society of Surgeons (ESS), Cairo, Egypt. 20-22 February, 2008. The Egyptian Society of Surgeons (ESS).
24. The 1<sup>st</sup> International Annual Conference of Emergency Medicine & Disaster Management, Alexandria. 24-26<sup>th</sup> October 2007. Convention Center, Faculty of Medicine, Alexandria University.
25. The Seventh Egyptian Congress of Surgical Oncology in Alexandria (EGSSO), Alexandria. 21-22<sup>nd</sup> June, 2007. In collaboration with The Surgery Department, National Cancer Institute, Cairo University. The Egyptian Society of Surgical Oncology (EGSSO).
26. The 25<sup>th</sup> meeting of the Egyptian Society of Surgeons (ESS), Cairo. In collaboration with the Royal College of Surgeons of England. The Silver Jubilee. 21-23 February, 2007. The Egyptian Society of Surgeons (ESS).
27. The 26<sup>th</sup> Annual Scientific Congress of Alexandria Faculty of Medicine. First Medical Education Conference. 28-29 April, 2005. Bibliotheca Alexandrina, Alexandria, Egypt.
28. The Egyptian International Congress of Laparoscopic Surgery, Cairo, Egypt. 11-13 January, 2005. The Egyptian Society of Laparoscopic Surgery (ESLS).
29. Third International Congress of the Egyptian Group of Laparoendoscopic Surgeons, Taba, Egypt. 1-4 December, 2004. The Egyptian Society of Surgeons (ESS). Egyptian Group of Laparoendoscopic Surgeons. In collaboration with Arab Group of Laparoscopic Surgery (AGLS). The Mediterranean Middle East Association of Laparoscopic Surgeons.
30. New Horizons For Better Health. Cairo, Egypt. 4-5 March, 2004. Conjoint meeting of the Egyptian Society of Hepatology (ESH) & International College of Surgeons (ICS) (Egyptian, Yemen & Gulf sections). In association with Franco Egyptian Medical Association (FEMA), Egyptian Society of Endocrine Surgery (ESES), & Egyptian Society of Laparoscopic Surgery (ESLS).
31. The 22<sup>nd</sup> Annual Meeting of the Egyptian Society of Surgeons. Cairo, Egypt. 25-27 February, 2004. The Egyptian Society of Surgeons.
32. The Egyptian International Congress of Laparoscopic Surgery, 2004. Cairo, Egypt. 13-15 January, 2004. The Egyptian Society of Laparoscopic Surgery (ESLS). In

collaboration with Mediterranean & Middle Eastern Endoscopic Surgery Association (MMESA) & Society of Endoscopic Arab Surgeons (SEAS).

#### SUPERVISED THESES, Master degree

---

1. Ultrasonic Harmonic Focus Shear in Head & Neck Surgery. **Mohamed Kamel Ibraheem**. MS Thesis in Department of General Surgery-Head and Neck and Endocrine Surgery Unit. Research started March 2008. Defended on June 7<sup>th</sup>, 2011.
2. Acute abdominal pain: Clinical and laboratory parameters of significance. **Ahmed Saeed Saad Mohamed**. MS Thesis in Emergency Medicine. Research started August 2008. Defended on January 11<sup>th</sup>, 2011.
3. Assessment of the general performance in the emergency department during the first 24 hours. **Fekri El Tahir Abdalla Abdalla**. MS Thesis in Emergency Medicine. Research started September 2008. Defended on October 5<sup>th</sup>, 2009.
4. Screening of blunt thoracoabdominal injuries in polytrauma patients admitted to the emergency department. **Heba Ramadan Gaber Mahmoud**. MS Thesis in Emergency Medicine. Research started Autumn 2010. Defended on December 12<sup>th</sup>, 2012.
5. Conservative non-surgical treatment of blunt splenic trauma. **Ashraf Shehatah Moshref Al-Sayed Ahmed**. MS Thesis in Emergency Medicine. Research started November 2008. Defended on December 9<sup>th</sup>, 2010.
6. Descriptive study of severe head injuries in traumatized patients admitted to the Emergency Medicine Department of Alexandria Main University Hospital. **Hagar Ahmed Shedeed**. MS Thesis in Emergency Medicine. Research started February 2009. Defended on January 26<sup>th</sup>, 2010.
7. The role of multidetector row computed tomography with biphasic contrast injection in characterization of cervical lymphadenopathy. **Shehab Mohamed Sami Shehab El-Din**. MS Thesis of Radiodiagnosis. Research started July 2009. Defended on June 20<sup>th</sup>, 2011.
8. Acute generalized peritonitis, clinical symptoms and management. **Wageh Abdel Haleem Abdel Meguid Kasem**. MS Thesis in Emergency Medicine. Research started May 2012. Defended on November 13<sup>th</sup>, 2013.
9. Patterns of acute abdomen cases in emergency department of the Main Alexandria University Hospital. **Salah Salamah Ahmad Hasan**. MS Thesis in Emergency Medicine. Research started October 2009. Ongoing research.
10. Clinical and pathological studies of recurrent multinodular goiter. **Ahmad Ismail Abu-Rawy Abdel Maksoud**. MS Thesis in Department of General Surgery-Head and Neck and Endocrine Surgery Unit. Research started October 2009. Ongoing research.
11. Comparison between day and night shifts regarding quality of care in emergency department in Abou-Kir general hospital. **Khaled Abbass Moustafa**. MS Thesis in Emergency Medicine. Research started January 2010. Defended on 18-1-2012.
12. Impact of early diagnosis of pelvic fractures in multi-injured patients on prognosis. **Michael Adel Harees Abdo**. MS Thesis in Emergency Medicine. Research started March 2010. Defended on April 4<sup>th</sup>, 2012.
13. Patterns of diagnosis of patients with intestinal injuries in the emergency department. **Mohamad Mokhles Mohamad Kamal Goweely**. MS Thesis in Emergency Medicine. Research started March 2010. Ongoing research.
14. Study of craniomaxillofacial injuries. Presentation, diagnosis and management. **Mohamed Ahmed El-Bayoumy El-Naggar**. MS Thesis in Department of General Surgery-Head and Neck and Endocrine Surgery Unit. Research started June 13<sup>th</sup>, 2011. Defended on December 17<sup>th</sup>, 2013.

15. Clinical evaluation, imaging assessment and surgical management of patients suffering multinodular goiter with retrosternal extension. **Youstina Milad Makary Gerges**. MS Thesis in Department of General Surgery-Head and Neck and Endocrine Surgery Unit. Research started September 2011. Defended on 24-12-2012.
16. Assessment of video assisted neck surgery in excision of neck swellings. **Ahmad Bakr Al-Sayed Hasan**. MS Thesis in Department of General Surgery-Head and Neck and Endocrine Surgery Unit. Research started May 9<sup>th</sup>, 2011. Defended on April 28<sup>th</sup>, 2014.
17. Role of novel magnetic resonance imaging sequences in characterization of salivary gland tumors. **Lamya Abdel Galil Mohamed Eissa**. MS thesis of radiodiagnosis and intervention. Research started February 2014. Ongoing research.
18. Comparative analysis of blunt abdominal trauma in adults and children. **Hayam Abdel Metaal Abdel Aal**. MS Thesis in Emergency Medicine. Research started November 2011. Ongoing research.

#### SUPERVISED THESES, Doctorate degree

---

1. Portal vein embolization prior to liver resection. **Ashraf Masoud**. MD Thesis in General Surgery. Research started August 2009. Ongoing research.
